When you get into the arrival hall (there are two sides to go down to the arrival hall from the platform, and it's hard to find which side you will be on), please remember to find the “Information Desk” (问询台/信息台) which is in the middle of the hall and near the exit end, with four big screens in four sides above the desk!

In his mausoleum, you can hardly find anything martial like Qin Shi Huang's mausoleum, just some day to day stuff and terracotta figurines from servants to cavalry. These figures were originally decorated with colors and clothes, but all faded with time.
